

To whom it may concern : My Wife & I DO NOT WANT The Indiana Privacy Law weakened in any way , shape or form. It has worked well for us. Before we signed on , we were getting 20 or more calls a day between the hours of 8:00 am to 10:00 pm. We never buy anything over the phone, including charities that solicit donations. We will do the calling whenever we need something and we don't want to be bothered.
